

FINDHORN UNITARIAN NETWORK ACTIVITIES FOR 2020-21

Introduction: The Findhorn Unitarian Network (FUN) is an affiliated Unitarian Society which organises a programme of activities that offer ways for UK Unitarians to engage with the Findhorn Foundation community, or provides ways for Unitarians to draw inspiration from the community.

Experience Week

The proposed attendance of Unitarians at a Findhorn Experience Week in May 2020 has been cancelled due to the current health crisis. A future date will be decided in due course and publicised. Please note that the Findhorn Foundation can offer assistance to people on low incomes, and that some chapels and districts have, in the past, provided assistance with travel expenses. Retreat to Island of Erraid

There is a Findhorn community on the island of Erraid off the west coast of Scotland. FUN had organised a retreat week with the Erraid community for former Experience Week attendees in August of 2020. This has now been suspended (due to Covid-19) but we hope to go ahead possibly in June 2021. Expressions of interest to Val Chamberlain FindhornUnitarianNetwork@gmail.com

Meditation sessions

FUN is offering a series of guided meditations via Zoom. Each session is offered twice a month to work around scheduling conflicts (usually Sat 11a.m. and Tues 9.30a.m.) You are welcome to take part in each session twice if you desire, but they will be identical, and hence one session may be appropriate. For the announcement of dates see <https://en-gb.facebook.com/FindhornUnitarianNetwork/> and for further information or to register please contact ralphunitarian@gmail.com

Transformation Game

We have available two trained facilitators who can offer the Transformation Game ® for UK Unitarians. The programme is best undertaken by 3, or a maximum of 4, people and can take one whole day or two days. It is an opportunity for exploring your life goals and to understand how to move obstacles to progress. Currently a facilitator is offering solo, small or larger groups of up to six people the opportunity to connect with Transformation Games through Zoom/ Skype, until the pandemic settles down and is safe to be on this journey face to face again. Societies Weekend

FUN will join members of other affiliated Unitarian societies to share a weekend at Hucklow on Nov 20 -22 2020. Enquiries to Val Chamberlain FindhornUnitarianNetwork@gmail.com
